

## [New Age Roots II - The Next Chapter](#)

### Greenbeat Music - Various Artists

This album has contributions from various artists from all over the world, and has been produced by Mackadub in collaboration with Daddy Mix from Studio Mix, Waterhouse Kingston Jamaica for Greenbeat Music.

A collection of conscious uplifting roots reggae music designed to heal, refresh and format our hearts and minds.

Greenbeat Music would like to express condolences to the family of the late Donald Willis aka Doniki who was able to make a positive contribution to this project, but is no longer with us physically.

Thanks to C.P. for contributing his percussive ingredients to this project and Daddy Mix for coordinating the voices on this project from his Studio Mix location, Waterhouse Kingston Jamaica. Also thanks to all the Artists, and those who gave us some kind of encouragement or inspiration during the growth and development of this project.
